Why you should say  to **FREE school meals?**

- **It will benefit your child** - they will enjoy a delicious and nutritious hot meal, improving their ability to concentrate and learn
- **It will benefit your child's school** - The Government provides **£430** of additional funding for every child registered to receive free school meals. This is additional investment in your child's education.
- **It will benefit you** - save up to **£500** per year in food costs

If your household income is less than **£16,190** per year, then it is likely that your school-aged children are entitled to a free school meal.
