

# **6<sup>th</sup> Form Code of Conduct**

We have a code of conduct which makes clear how we should behave in our community. It has the following aims:

- to allow all students to learn in safety and security;
- to support teaching and learning in the classroom;
- to foster respect for others, for property and the environment;
- to encourage honesty, trust, fairness, tolerance and compassion;
- to encourage and develop self-discipline and self-respect.

If students follow our Code they will be helping to create a positive and supportive learning environment in which everyone can be successful and have their achievements recognised and rewarded. If students break our Code they should be prepared to accept the consequences.
