Extension Opportunities and Independent Learning

For any student that feels that they are capable of undertaking more school work than has been set by their teacher each day/week whilst we continue in this lockdown situation, there are a number of things that they could do:

(i) Online Lessons

BBC Bitesize Daily Lessons

- Year 7 <https://www.bbc.co.uk/bitesize/tags/zf9yy9q/year-7-lessons/1>
- Year 8 <https://www.bbc.co.uk/bitesize/tags/zvdbbdm/year-8-lessons/1>
- Year 9 <https://www.bbc.co.uk/bitesize/tags/zbjrrj6/year-9-lessons/1>
- Year 10 <https://www.bbc.co.uk/bitesize/tags/zr7447h/year-10-lessons/1>

Oak Academy

- All Years <https://www.thenational.academy/>

(ii) Revision Notes and Techniques

Students could ensure that they go over all previous content covered in each of their subjects over this academic year. They should then endeavour to ensure that personal revision notes/materials are either prepared and/or updated. Useful links are included below:

(iii) Maths Challenge for Years 7-10

Each day Mr Burns sets a series of 5-a-day Maths Challenges for students to undertake independently. Answers/solutions for each of the challenges are provided on the following day.
