

PERSONAL CAREERS PORTFOLIO (Kudos)

Southborough High School uses a Careers guidance, support and tracking system called Kudos to generate a personalised and bespoke **Personal Careers Portfolio** for every single student. Through Kudos students are able to build their portfolio by completing the following:

- Take tests to find their ideal career paths
- Explore subjects
- Explore work areas
- Explore careers
- Identify their career strengths and skills
- Understand qualifications that are needed
- Develop knowledge on different educational paths
- Identify and record personal achievements
- Write their personal statement
- Build their CV

Delivering Impartial Careers Guidance and Support to Young People

Students will start using Kudos from Year 7 and continue to do so each term right through to Year 13. During this time they will build on their individual **Personal Careers Portfolio**. Each and every student will build their Portfolio which consists of the following:

- A Personal Careers Profile
- A Careers Journey Report
- A Careers Action Plan
